Re: Section 63.71 Application of TelePlus Telecommunications, Inc. for Discontinuance of Telecommunications Service (FRN: 0016928624)

Dear Ms. Dortch:

This letter amends the Application of TelePlus Telecommunications, Inc. ("TelePlus") for authority to discontinue telecommunications services, filed with the Commission on February 29, 2012, and is filed as per the request of Commission Staff.

TelePlus is still able to provide service, however does not have any customers due to attrition. Further, TelePlus is not actively marketing its services.

Enclosed please find one original and six (6) copies of this letter. Please date stamp the duplicate of this filing and return to our messenger. Thank you for your assistance in this matter and please do not hesitate to contact me if you have any questions or concerns.

Respectfully submitted,

Katherine E. Barker Marshall
